MATH CLASSES

All math classes at Lincoln High School require a scientific calculator and a notebook.

A set of graphing calculators is provided in each room for student use during the class period.

Additional supplies needed by teacher:

Froiland--Precalculus and Calculus:

2.5" minimum thickness three-ring binder with loose-leaf paper (plan to keep this binder through Calculus)

Graph paper tablet

Pencils

Calculator Use: Scientific calculator at minimum. For Precalculus, a graphing calculator is preferred. For Calculus, a graphing calculator is required. School graphing calculators will be available for use. If planning to purchase your own graphing calculator, please talk to Mr. Froiland first for recommendations.

Froiland--All Other Classes:

1.5" minimum thickness three-ring binder with loose-leaf paper

70-count spiral notebook for notes

Pencils
